Company Overview

Technical Systems Integration, Inc. (TSI), an SDVOSB founded in 1993, delivers mission-critical solutions that strengthen our nation's defense and commercial sectors. Our agile team provides innovative project management, technical support, and systems engineering services, with particular expertise in training systems and logistics optimization. TSI's forward-thinking approach has consistently delivered rapid, cost-effective results for DoD and commercial clients.

Core Competencies

Project Management

Overseeing and coordinating projects from inception to completion

Instructional Systems Design

Developing effective training programs and learning solutions

Technical Support

Providing expert assistance and troubleshooting for complex systems and software

Logistics and Supply

Optimizing supply chain operations and managing inventory for improved efficiency

Systems Engineering

Designing, integrating, and managing complex systems

Research and Development

Driving innovation through new technologies and methodologies

Past Performance

- NETSAFA International Training Center (NITC)
- DARPA Wireless Acoustic Viable Electricity (WAVE) SBIR
- AMCM Test, Maintenance, and Warehouse Support
- Naval Aviation Distributed Mission Training (NADMT)
- E-6 Recapitalization Program (E-XX)
- CNATRA Training Systems Requirements Analysis
- H-60 Search and Rescue Swimmer / Hoist Operator
- MH-60 Mission Rehearsal Trainer (MRT)
- Mine Warfare Tactics and Analysis
- AN/AQS-20 Sonar, Mine Detection Engineering, Logistics, and Technical Support
- NAVAIR and NAVSEA Systems Technical Support

NAICS Codes

- Engineering/Technical Services (541330, 541380, 541715)
- Information Technology (541511, 541519)
- Management Consulting (541611, 541614, 541618)
- Manufacturing and Repair (334511, 334516, 811490)
- Educational Services (611420, 611430, 611519, 611710, 611699)
- Administrative/Facilities Support (561110, 561210)
- Specialized Design Services (541430)
- Other Professional Services (541990)

Differentiators

- 30+ years delivering defense and technical solutions
- Certifications: ISO 9001:2015 | PMP
- Florida State University (FSU) Research Partnership
- SEAPORT-NxG | GSA MAS | GSA OASIS+
